

MAKING THE DREAM OF AIRCRAFT OWNERSHIP A REALITY FOR \$20,000.

TIPTON TAMPICO, LLC DBA TIPTON AERO-SHARES - Your Aircraft Partnership Solution. Tipton Aero-Shares fields two fractionally-owned aircraft, operated for private rental to member-owners. The aircraft are also made available for flight training to Baltimore-Washington area flight school – 1World Aero – under commercial leaseback. **MEMBER-OWNERS WELCOME!**

- **TRAIN IN THE TRAINER, GROW INTO THE TRAVELER.**
- **HASSLE FREE, COST EFFECTIVE, CAPABLE, AVAILABLE.**

PROVEN TRACK RECORD - Operating since 2008, Tipton Aero-Shares provides you with an established risk sharing partnership in versatile, capable aircraft, benefitting from commercial operation expense offsets. Owner-Members receive Quarterly Member Statements and Leaseback reports, and vote in Quarterly member Meetings. Upon decision to exit, members benefit from the company’s Automatic Share Buy Back program.

"I never thought a could afford to own an aircraft as the number of hours I fly a year would never justify the investment. As a member, I own shares in two aircraft, enjoy good availability at a price point

that fits my flying budget, and avoid the administration and paperwork hassles." Alan W. Member since 2010.

FLEXIBLE, PREFERENTIAL SCHEDULING - Preferred overnight & flexible extended rental solutions. 100 hours and or three weeks priority scheduling per year.
